OTHER CONDITIONS

Exhaust components are to be selected and installed in accordance with the manufacturer's instructions and recommendations, and Lloyd's Register's Rules and Regulations for the Classification of Special Service Craft.

"This Certificate is not valid for equipment, the design, ratings or operating parameters of which have been varied from the specimen tested. The manufacturer should notify Lloyd's Register EMEA of any modification or changes to the equipment in order to obtain a valid certificate."

The attached Design Appraisal Document No. 04/00007(E2) and its supplementary Type Approval Terms and Conditions form part of this Certificate.

All other details remain as the previous Certificate No. 04/00007(E1) to which this extension should be attached.
